	SUPPLY CHAIN SECURITY POLICY	Date	10-06-2020
		Pages	Page 1 of 1

Security Policy

- We at ELITE EXPRESS CARGO are committed to ensuring a safe and secure supply chain to our clients and provide cargo services with the highest levels of reliability and security.
- This policy provides the framework which, enables our security management objectives, targets and action plans to be implemented.
- This policy is consistent with our organization’s overall security threat and risk management framework and made appropriate to the scale of our operations.
- We are committed for the continual improvement of the security management process.
- We are committed to comply with current applicable legislation, regulatory and statutory requirements and with other requirements to which the organization subscribes with respect to supply chain security.
- We are committed to communicate our policy to all relevant employees and third parties including contractors and visitors with the intent that these persons are made aware of their individual security management-related obligations.
- We shall maintain good security management practices as per the requirements of ISO 28000.
- We shall regularly audit our SMS system and strive for continual improvement.
- Our SMS shall be documented, implemented, maintained, reviewed and continually improved.

Chief Executive Officer
